VERSE
```
D-2           A-2         G-4
I have these moments so steady and strong,
    D-2         A-2       G-4
I'm feeling so holy and humble.
    D-2           A-2            G-4
The next thing I know I'm all worried and weak
      D-2           A-2         G-4      G-4
And I feel myself starting to crumble.
Bm-4                        E7-4
Meanings get lost and the teachings get tossed and
    G-4                           D-4
You don't know what your gonna do next.
Bm-4                      E7-4
Wait for the sun and it never quite comes.
G-4                          E7-4
Some kind of message comes through to you.
G-4                          A7-2  A7sus4-2 A7-4
Some kind of message comes through   and it says to you
```

CHORUS
```
D-2            A-2  G-2           A-2
Love when you can, cry when you have to.
D-2         A-2            G-2          A-2
Be who you must that’s a part of the plan.
  D-2        A-2           G-2        A-2
I wait your arrival with simple survival.
    Bm-4                  E-4
And one day we'll all understand,
G-4                   E-4
One day we'll all understand,
G-4                   E-4
One day we'll all understand.

VERSE

```
D-2     A-2       G-4
I had a woman who gave me her soul,
    D-2      A-2      G-4
But I wasn't ready to take it.
     D-2          A-2        G-4
Her heart was so fragile and heavy to hold
    D-2     A-2          G-4      G-4
And I was afraid I might break it.
     Bm-4                       E7-4
Your conscience awakes and you see your mistakes and
    G-4                             D-4
You wish someone would buy your confessions.
    Bm-4                          E7-4
The days miss their mark and the night gets so dark.
    G-4                         E7-4
And some kind of message comes through to you,
G-4                          A7-2 A7sus4-2 A7-4
Some kind of message shoots through.
```

Be who you must that’s a part of the plan.
  D-2       A-2          G-2       A-2
I wait your arrival with simple survival.

And one day we'll all understand,
G-4                 E-4
One day we'll all understand,
G-4                 E-4
One day we'll all understand.

D-2          A-2         G-4
There is no Eden or heavenly gate
     D-2         A-2         G-4
That your gonna make it to one day.
D-2         A-2          G-4
All of the answers you seek can be found
        D-2        A-2   G-4    G-4   G-4
In the dreams you dream on the way.
