[Intro] G-8 G-8

[Verse 1] G-8 Bm-8It seems like yesterday, but it was long ago. G-4 Janey was lovely; she was the queen of my nights, there in the darkness with the radio, playing low and Bm-8The secrets that we shared, the mountains that we moved Caught like wildfire out of control, C-4D-8'till there was nothing left to burn and nothing left to prove. D-2 Em-2G-4 And I remember what she said to me, Em-2 C-2 G-4 how she swore that it never would end. D-2C-4 I remember how she held me, oh so tight. C-4 D-4Wish I didn't know now what I didn't know then [Chorus] Bm-4 C-4 G-4 G-4 Against the wind, we were running against the wind. C-2 Bm-2Am-2C-2 G-8 We were young and strong, we were running against the wind

And the years rolled slowly past And I found myself alone.

G-4

Surrounded by strangers I thought were my friends,

D-4 C-4

I found myself further and further from my home and I

```
Guess I lost my way
                         There were oh, so many roads.
                         G-4
I was living to run, and running to live.
                                          D-8
Never worrying about paying, or even how much I owed.
        Em-2
                  D-2
Runnin' 8 miles a minute for months at a time,
         Em-2
                        C-2
breaking all of the rules that would bend.
Em-2
             D-2
                               C-4
  I began to find myself just searching,
 searching for shelter again and again

                                                         G-4
Against the wind,
                        a little something against the wind.

I've got so much more to think about.

  Deadlines and commitments what to leave in, what to leave out
