## **RED HOUSE**

## INTRO: $\underline{A} \ \underline{D} \ \underline{A} \ \underline{A} \ \underline{D} \ \underline{D} \ \underline{A} \ \underline{A} \ \underline{E} \ \underline{D} \ \underline{A} \ \underline{E}$

| <u>A</u>   |          |
|--|----------|
| There's a Red House over yonder                    |          |
| <u>D</u> <u>A</u> <u>A</u>                         |          |
| That's where my baby stays                         |          |
| <u>D</u>   |          |
| There's a Red House over yonder, baby              |          |
| <u>D</u> <u>A</u> <u>A</u>                         |          |
| That's where my baby stays                         |          |
| E  |          |
| Well, I ain't been home to see my baby,            |          |
| D A E  |          |
| In ninety nine and one half days.                  |          |
|  |          |
| <u>A</u>   |          |
| Wait a minute something's wrong here               |          |
| <u>D</u> <u>A</u> <u>A</u>                         |          |
| The key won't unlock the door.                     |          |
| <u>D</u>   |          |
| Wait a minute something's wrong baby,              |          |
| <u>D</u> <u>A</u>                                  | <u>A</u> |
| Lord, have mercy, this key won't unlock this door, |          |
| (something's goin' on here)                        |          |
| <u>E</u>   |          |
| I have a bad bad feeling                           |          |
| D <u>A E</u>                                       |          |
| that my baby don't live here no more.              |          |

| <u>A</u>                                 |
|--|
| I might as well go on back over yonder   |
| <u>D</u> <u>A</u> <u>A</u>               |
| Go back 'cross yonder over the hill      |
| <u>D</u>                                 |
| I might as well go back over yonder      |
|  |
| <u>D</u> <u>A</u> <u>A</u>               |
| Way back over yonder 'cross the hill,    |
| _  |
| <u>E</u>                                 |
| 'Cause if my baby don't love me no more, |
| D <u>A</u>                               |
| I know her sister will.                  |
