[Verse 1]
```

G-8 Am-8

Starry, starry night Paint your palette blue and gray Cmaj7-4

Look out on a summer's day

D-4 G-4

With eyes that know the darkness in my soul

G-8

Shadows on the hills

Am-8

Sketch the trees and the daffodils

Cmaj7-4

Catch the breeze and the winter chills

D-4 |G-3 Gsus4-1|G-4|

In colours on the snowy linen land

[Chorus]

Am-4 D-4

G-4 Em-4

Oh, now I understand What you tried to say to me

Am-4 D-4

How you suffered for your sanity

Em-4

How you tried to set them free

A7-4 D-4

They would not listen, they did not know how

|<u>G-3 Gsus4-1|</u>G-4|

Perhaps they'll listen now

```
G-8
                                         Am-8
Starry, starry night Flaming flowers that brightly blaze
                   Cmaj7-4
Swirling clouds in violet haze
  D-4
                                    G-4
Reflect in Vincent's eyes of China blue
                 G-8
                                          Am-8
Colours changing hue Morning fields of amber grain
                Cmaj7-4
Weathered faces lined in pain
   D-4
                                      |<u>G-3 Gsus4-1|</u>G-4|
Are soothed beneath the artist's loving hand
[Chorus]
                      D-4
               Am-4
                                          G-4
                                                   Em-4
Oh, now I understand What you tried to say to me
                           Am-4
                                  D-4
How you suffered for your sanity
                           Em-4
How you tried to set them free
                                 A7-4
                                              D-4
They would not listen, they did not know how
                        G-4
Perhaps they'll listen now
[Bridge]
                   Am-4
                             D-4
For they could not love you,
                         G-4
                              Em-4
But still your love was true
            Am-4
                                             Cm-4
And when no hope was left in sight on that starry,
starry night
    G-2
                       F-2
                                    F7-4
You took your life as lovers often do
```

[Verse 2]

Am-4
But I could have told you, Vincent
Cmaj7-4 D-4 G-8
This world was never meant for one as beautiful as you,
[Verse 3]
G-8 Am-8
Starry, starry night portraits hung in empty halls
Cmaj7-4
Frameless heads on nameless walls
D-4 G-4
With eyes that watch the world and can't forget G-8
Like the strangers that you've met Am-8
The ragged men in ragged clothes
Cmaj7-4
The silver thorn of a bloody rose
D-4   G-3 Gsus4-1 G-4
Lie crushed and broken on the virgin snow
[Chorus]
Am-4 D-4 G-4 Em-4
Now I think I know What you tried to say to me
Am-4 D-4
How you suffered for your sanity
Em-4
How you tried to set them free
A7-4
They would not listen, they're not listening still
D-4 $ G-3 Gsus4-1 [G]$
Perhaps they never will
