

## FAST HAND

**INTRO** | Bm-4 D-4 A-4 Em-4 | REPEAT

---

**Bm-4** **D-4**  
I didn't want to shoot that man but he heard that I was fast.

**A-4** **Em-4**  
You know that liquor will give them courage to put a man to the ground.

**Bm-4** **D-4**  
But nobody saw I couldn't claim no self defense  
**A-4** **Em-4**  
so I took off with the morning sun running from my sins.

**Bm-4** **D-4**  
Ended up in every town where all the bad men go  
**A-4** **Em-4**  
and they've been runnin just like me. Someone always knows.

**Bm-4** **D-4**  
They say you're the man that shot that boy wasn't his turn to dance.  
**A-4** **Em-4** **Em-4**  
So there I die in some street that night no never had a chance.

---

***Bm-4** **A-4**  
I never meant to be a bad man. I just had a fast hand.*

***Em-4** **D-2** **A-2**  
Going to be nothing in hell I haven't lived through here.*

***Bm-4** **A-4**  
I'm just going to walk out and wish you all goodnight.*

***Em-4** **D-2** [**A-2**] **Bm-4** **Bm-4**  
I never meant to be a bad man. I just had a fast hand.*

---

**Bm-4** **D-4**  
I ended up in Fort Worth no one knows me here.  
**A-4** **Em-2** **G-2**  
Time has a funny way of taking away the years.  
**Bm-4** **D-4**  
I don't mind the changes or the age that's in my face.

**A STOP** **A STOP**  
Because there is a piece of my soul in every man I've killed  
[Em-4]  
in every godforsaken place.

---

**Bm-4** **A-4**  
*I never meant to be a bad man. I just had a fast hand.*  
**Em-4** **D-2** **A-2**  
*Going to be nothing in hell I haven't lived through here.*  
**Bm-4** **A-4**  
*I'm just going to walk out yeah tonight I'll save your life.*  
**Em-4** **D-2** [A-2] **Bm-4** **Bm-4**  
*I never meant to be a bad man. I just had a fast hand.*
