

# HEROES

## INTRO

|D-8 G-8 | D-8 G-8|

D-8                      G-8  
I, I wish you could swim

                    D-8                      G-8  
Like the dolphins, like dolphins can swim

                    C-8                      D-8  
Though nothing, nothing will keep us together

                    Am-4      Em-4                      D-8  
We can beat them,    for ever and ever

                                    C-4      G-4                      D-8  
Oh we can be Heroes,    just for one day

|D-8 G-8 | D-8 G-8|

D-8              G-8  
I, I will be king

                    D-8                      G-8  
And you, you will be queen

                    C-8                      D-8  
Though nothing will drive them away

                    Am-4      Em-4                      D-8  
We can be Heroes,    just for one day

                    C-4 G-4                      D-8  
We can be us,    just for one day

D-8              G-8  
I, I can remember

D-8                      G-8  
Standing, by the wall

                    D-8                      G-8  
And the guns, shot above our heads

**D-8** **G-8**  
And we kissed, as though nothing could fall

**C-8** **D-8**  
And the shame, was on the other side

**Am-4** **Em-4** **D-8**  
Oh we can beat them, for ever and ever

**C-4** **G-4** **D-8**  
Then we could be Heroes, just for one day

**SOLO** |**D-8** **G-8** | **D-8** **G-8**|

**D-8** **G-8**  
We can be Heroes

**D-8** **G-8**  
We can be Heroes

**D-8** **G-8** **[D]**  
We can be Heroes Just for one day
