**G-8 G-4 D-4**  
Having such a sweet night, audience is just right, drinking like a pirate do  
**D-8**  
Don't want to sleep yet, buddy it's a good bet  
**D-4 G-4**  
I'll raise more hell than you  
**G-8 G-4 D-4**  
Do a couple rails and chase your own tail and talk about the bad old days  
**D-8**  
Trimmer in a t-shirt, telling me her heart hurt,  
**D-4 G-4**  
Honey let me count the ways  
**G-8**  
Then a big boy busted in screaming at his girlfriend  
**G-4 D-4**  
waving around a Fungo bat  
**D-8 D-4 G-4**

G-8

Well I finally got the room clear, bleeding from the left ear,

G-4 D-4

feeling pretty bad for the maid

D-8

Lost a couple drinks and my dinner in a sink and

D-8 G-4

I woke up with the bed still made

G-8

Wasn't quite morning and I wasn't quite breathing,

G-4 D-4

my heart way up in my throat

D-8

The girl starts screaming and the maid starts screaming and it

D-4 G-4

looks like that's all she wrote

G-8

Well they slapped me back to life and they telephoned my wife

G-4 D-4

and they filled me full of Pedialyte

D-8

Some are guts, some are glory, it would make a great story

D-4 G-4

if I ever could remember it right
