**[Verse**

                  C-2                          C/B-2  Am7-2  Am7/G-2  
Would you like to learn to dance?  I can show you that  
F-2                          G-2                          C-4  
  Gotta book here with all you need to know  
  E-4  Am-2                          Am/G-2  
We can draw the Arthur Murray patterns right here on the floor  
  Dm-2  F-2                          C-4  
And all you have to do is follow  
  E-4  Am-4  
And then we'll dance around the room a while  
                  F-2                          G-2                          C-4  
You can lead now if you want to, I don't mind  
E-4  Am-2                          Am/G-2  
  Nothin' I wouldn't do  to see a smile  
  Dm-2                          F-2                          G-4  
Go dancin' 'cross your face in perfect time

**[Verse 2]**

                  C-2                          C/B-2  Am7-2  Am7/G-2  
Would you like to learn to sing?  I can teach you that  
F-2                          G-2                          C-4  
  Here's an old tune that's good for the start  
E-4  Am-2                          Am/G-2  
  You can sing all the high parts if you really try  
                  F-4                          G-4  
And I'll play along the tune on my guitar  
E-4  Am-4  
  And then we'll sing together for a little while  
                  F-2                          G-2                          C-4  
Let the harmony go ringin' in your mind  
  E-4  Am-2                          Am/G-2  
And you sing so much better when, you sing with a smile  
Dm-2                          F-2                          G-4  
All the notes come out so sweet and high  
Dm-2                          F-2                          G-4  
All the notes come out so sweet and high

Would you like to learn to love? Well, that's somethin' else again  
F-2                                  G-2                                  C-4  
I can show you how to sing and smile and dance  
E-4                                  Am-2                                  Am/G-2  
    But I have no keys to open your heart  
                  Dm-2                                  F-2                                  G-4  
And no way that I could make you take the chance  
E-4                                  Am-4  
    So we'll dance around the room again  
                  F-2                                  G-2                                  C-4  
And we'll sing a tune or two to pass the time  
E-4                                  Am-2                                  Am/G-2  
    And smile a lot and if you really want to  
                  Dm-2                                  F-2                                  G-4  
We can try a little lovin', I don't mind  
Dm-2                  F-2                                  C-2 C/B-2                  Am7-2 Am7/G-2  
Try a little lovin', I don't mind, I don't mind
