I left Oklahoma drivin' in a Pontiac

G-4 D-4

Just about to lose my mind

D-8

I was goin' to Arizona, maybe on to California

D-4 G-4

Where the people all live so fine

G-8

My baby said I's crazy, my momma called me lazy

G-4 D-4

I was gonna show 'em all this time

D-8

'Cause you know I ain't no fool an' I don't need no more schoolin'

D-4 G-4

I was born to just walk the line

G-8

G-4

D-4

*Livin' on Tulsa time Livin' on Tulsa time*

D-8

*Well you know I've been through it When I set my watch back to it*

D-4 G-4

*Livin' on Tulsa time*

---

G-8

Well there I was in Hollywood, wishin' I was doin' good

G-4 D-4

Talkin' on the telephone line

D-8

But they don't need me in the movies and nobody sings my songs

D-4 G-4

Guess I'm just wastin' time

**G-8**

**Well then I got to thinkin', man I'm really sinkin'**

**G-4**

**D-4**

**And I really had a flash this time**

**D-8**

**I had no business leavin' and nobody would be grievin'**

**D-4**

**G-4**

**If I went on back to Tulsa time**
