

Kodachrome - CAPO 2

**INTRO** |D-4|D-4|G-4|G-4|Em-4|A7-4|D-4|Em-2 A7-2|

                  D-4  
When I think back  
                  D7-4                  G-8  
on all the crap I learned in high school  
Em-4                  A-4                  D-4  Em-2  A-2  
  It's a wonder I can think at all  
                  D-4                  D7-4  
And though my lack of education  
                  G-8  
hasn't hurt me none  
Em-4                  A-4                  D-4  
  I can read the writing on the wall

---

                  G-2  B7-2  E-4                  Am-4                  D-4  
Kodachrome          You give us those nice bright colors  
                  G-4                  C-4  
You give us the greens of summers  
                  A-4                  D-4                  G-2  B7-2  E-4  
Makes you think all the world's a sunny day, oh  yeah!  
                  Am-4  D-4  
I got a Nikon camera  
                  G-4  C-4  
I love to take a photograph  
                  A-4          D-4                  G-4  Bm-4  Em-4  A-4  
So Mama, don't take my Kodachrome away

---

                  D-4                  D7-4                  G-8  
If you took all the girls I knew when I was single  
                  Em-4                  A-4                  D-4  Em-2  A-2  
And brought them all together for one night  
                  D-4                  D7-4                  G-8  
I know they'd never match my sweet imagination  
Em-4                  A-4                  D-4  
  And everything looks worse in black and white

G-2 B7-2 E-4 Am-4 D-4
