

THE WILD SIDE OF LIFE

INTRO

D G
You gave up the only one that ever loved you
A7 D
And went back to the wild side of life

[Verse 1]

D G
You wouldn't read my letter if I wrote you
A7 D
You asked me not to call you on the phone
D G
But there's something I'm wanting to tell you
A7 D
So I wrote it in the words of this song

[Chorus]

D G
I didn't know God made honky tonk angels
A7 D
I might have known you'd never make a wife
D G
You gave up the only one that ever loved you
A7 D
And went back to the wild side of life

SOLO | D | G | A7 | D |

[Verse 2]

D G
The glamor of the gay night life has lured you
A7 D
To the places where the wine and liquor flow
D G
There you wait to be anybody's baby
A7 D
And forget the truest love you'll ever know

[Chorus]

I didn't know God made honky tonk angels
I might have known you'd never make a wife
You gave up the only one that ever loved you
And went back to the wild side of life
And went back to the wild side of life
