The cold wild wind will come
D G A
Sweethearts walk by together
G A D
And I Still Miss Someone

I go out to wild parties
G A D
And look for a little fun
D G A
But I find the darkened corner

'Cause I still miss someone

G A D
Though I never got over those blue eyes
G A D
I see them everywhere
G A D
I miss those arms that held me
G A D
When all the love was there

D G A
I wonder if she's sorry
G A D
For leaving what we had begun
D G A
There's someone for me somewhere
G A D
And I Still Miss Someone
