

House at Pooh Corner

INTRO C

[Verse 1]

C-2            Dm-2            Em-2            Am-2  
Christopher Robin and I walked along  
          F-2            G-2            C-2 G-1 F-1  
Under branches lit up by the moon.  
C-2            Dm-2            Em-2            Am-2  
Posing our questions to Owl and Eeyore  
          F-2            G-2            C-4  
As our days disappeared all too soon.  
          Am-4                            Em-4  
But I've wandered much further today than I should  
          F-4                            D-2            G-2  
And I can't seem to find my way back to the wood.

[Chorus]

          C-2            Em-2            Dm-2            G-2  
So, help me if you can, I've got to get  
C-2            Em-2            Dm-2            G-2  
Back to the house at Pooh Corner by one,  
C-2            Em-2                            Dm-2            G-2  
You'd be surprised there's so much to be done,  
Em-4    C-4  
Count all the bees in the hive,  
Em-4    Am-4  
chase all the clouds from the sky  
F-2            G-2            Em-2            Am-2            Bbmaj7-8  
Back to the days of Christopher Robin and Pooh

[Verse 2]

C-2            Dm-2            Em-2            Am-2  
Winnie the Pooh doesn't know what to do  
          F-2            G-2            C-2 G-1 F-1  
Got a honey jar stuck on his nose  
C-2            Dm-2            Em-2            Am-2  
He came to me asking help and advice  
          F-2            G-2            C-4  
And from here no one knows where he goes  
          Am-4                            Em-4  
Well, I sent him to ask of the Owl if he's there
