Em D C D  
Oh, God, I fell for you  
Em D C D  
Oh, God, I fell for you

*The plot of our life sweats in the dark like a face*

Em D C D  
Oh, God, I fell for you

*The mystery of childbirth, of childhood itself  
Grave visitations*

Em D C D  
Oh, God, I fell for you  
*What is it that calls to us? Why must we pray screaming?  
Why must not death be redefined?*

Em D C D  
Oh, God, I fell for you  
*We shut our eyes we stretch out our arms*

Em D C D  
Oh, God, I fell for you  
*And whirl on a pane of glass*

Em D C D  
Oh, God, I fell for you  
*An Afixiation  
a fix on anything the line of life the limb of a tree*

Em D C D  
Oh, God, I fell for you  
*The hands of he and the promise*

Em D C D  
Oh, God, I fell for you  
*That she is blessed among women*

Em D C D  
Oh, God, I fell for you  
Em D C D [Em]  
Oh, God, I fell for you
