

DOCTOR MY EYES

CAPO 4

INTRO |Fsus4-4|F-4|C-8|Fsus4-4|F-4|

C-8
Doctor my eyes have seen the years
Em-8 Am-4
And the slow parade of fears without crying
F-4 C-8
Now I want to understand
C-8
I have done all that I could
Em-8 Am-4
To see the evil and the good without hiding
F-4 C-8
You must help me if you can.

Am-8 C-8
Doctor my eyes tell me what is wrong
Am-8
Was I unwise
[G-4] F-8 C-8 F-8
To leave them open for so long

C-8
As I have wandered through this world
Em-8 Am-4
As each moment has unfurled I am waiting
F-4 C-8
To awaken from these dreams
C-8
People go just where they will
Em-8 Am-4
I never noticed them until I got this feeling
F-4 C-8
That it's later than it seems.

Am-8 C-8
Doctor my eyes tell me what you see

Am-8
I hear their cries,

G-4 Fsus4-8 F-8 C-8
Just say if it's too late for me.

SOLO *Fsus4-4 F-4 C-8*

Am-8 C-8
Doctor my eyes cannot see the sky

Am-8
Is this the price,

[G-4] F-8 C-8
For having learned how not to cry.
