E7-8 **E7-8**
Rain keeps fallin' on my head Sun keeps burnin' out my eyes
A7-4 **B7-4**
Lord the moon he knows I'm blue And it's all because of you
E7-8
Ever since you said goodbye

E7-8 **E7-8**
Black cloud hangin' over me I can't seem to do it right
A7-4 **B7-4**
Lord the wind it never blows The river never flows
E7-8
Ever since you said goodbye
