D
From the coal mines of Kentucky to the California sun
D A
Bobby shared the secrets of my soul
A
Standing right beside me Lord through everything I done
A D
Every night she kept me from the cold

Then somewhere near Salinas Lord I let her slip away
D G
searching for the home I hope she'll find
G D
And I'd trade all my tomorrows for a single yesterday
A D
holding Bobby's body next to mine

[Chorus]

G D
Freedom's just another word for nothing left to lose
A D
Nothing left is all she left for me
G D
Feeling good was easy Lord when Bobby sang the Blues
A
Buddy that was good enough for me
A D
good enough for me and Bobby McGee
