

## FEEL A WHOLE LOT BETTER

**INTRO**      **RIFF**    A-8    A-8

---

                  A-8                    A-8  
The reason why, Oh I can't say  
                  E-8                            F#m-4    B-4  
I had to let you go babe, And right away  
                  A-8                            D-4    Bm-4  
After what you did, I can't stay on  
                  A-4                            E-4                            D-4    E-4  
And I'll probably feel a whole lot better When you're gone

---

**RIFF**    A-8

                  A-8                            A-8  
Baby for a long time, You had me believe

That your love was all mine, And that's the way it would be  
                  A-8    D-4    Bm-4  
But I didn't know, That you were puttin' me on  
                  A-4                            E-4                            D-4  
And I'll probably feel a whole lot better When you're gone  
G-4                            A-8  
Oh when you're gone

---

**SOLO** |A-8 | A-8 | E-8 | F#m-4 B-4 | A-8 | D-4    Bm-4 |

And I'm not gonna play, Your game any more  
                  A-8                            D-4    Bm-4  
After what you did, I can't stay on  
                  A-4                            E-4                            D-4  
And I'll probably feel a whole lot better When you're gone
