

## THE ROAD AND THE SKY – CAPO 2

### **INTRO** D-8 C-8

Em-4 C-4 G-8  
When we come to the place where the road and the sky collide,

Em-4 C-4 G-8  
Throw me over the edge and let my spirit glide.

D-8  
They told me I was gonna have to work for a living,

G-4 C-8  
But all I want to do is ride.

G-4 D-4 G-8  
I don't care where we're goin' from here, honey you decide.

Em-4 C-4 G-8  
Well I spend my time at the bottom of a wishing well,

Em-4 C-4 G-8  
And I can hear my dreams singing clear as a bell.

D-8  
I used to know where they ended and the world began,

G-4 C-4  
But now it's gettin' hard to tell.

G-4 D-4 G-8  
I could be just around the corner from heaven or a mile from hell.

C-8  
I'm just rollin' away from yesterday

G-8  
Behind the wheel of a stolen Chevrolet.

C-8  
I'm gonna get a little higher,

D-8 C-8  
See if I can hotwire reality.

Now can you see those dark clouds gathering up ahead?

Em-4 C-4 G-8  
They're gonna wash this planet clean like the Bible said.

D-8  
Now you can hold on steady, try to be ready,

G-4 C-4  
'Cause everybody's gonna get wet.

G-4 D-4 G-8  
Don't think it won't happen just because it hasn't happened yet.

C-8  
I'm just rollin' away from yesterday

G-8  
Behind the wheel of a stolen Chevrolet.

C-8  
I'm gonna get a little higher,

D-8 C-8 D-8 C-8  
See if I can hotwire reality.
