

Song: Up to the Mountain (MLK Song)

[Intro]

G D
I went up to the mountain because you asked me to
Em C
Up over the clouds to where the sky was blue
G D
I could see all around me everywhere
Em C G
I could see all around me everywhere

G D
Sometimes I feel like I've never been nothing but tired
Em C
And I'll be walking till the day I expire
G D
Sometimes I lay down, no more can I do
Em C G
But then I go on again because you ask me to

C G
Some days I look down afraid I will fall
Am D
And though the sun shines I see nothing at all
C Em C
Then I hear your sweet voice coming in, oh
G D
Telling me softly, softly you love me so

G D
The peaceful valley just over the mountain
Em C
The peaceful valley few come to know
G D
I may never get there ever in this lifetime
D Em C Em C
But sooner or later, it's there I will go
G D G
Sooner or later, it's there I will go
