Well she was standin' by the highway In her boots and silver spurs
Gonna hitchhike to the yellow moon When a Cadillac tried for her
And he said Hey nice to meet you Are you goin' my way
Yeah, that's when it happened the world caught fire that day

And she went down Swingin' Yeah, she went down Swingin'

Well she was over 21 In trouble with the law
And it didn't faze him none She called her mother-in-law
She said I need a little money I know I can count on you
