

## Bitchin Sauce

Tell it to me Mama, tell it to me strong

Good times pass slowly Hard times last so long

See that Rolling Stone, baby Covered in moss

Put his ax in his hands The man's Bitchin Sauce

Bitchin Sauce (Turnin' and Burnin')

Bitchin Sauce (Rock my soul)

Bitchin Sauce (Rumblin' and Tumblin')

Bitchin Sauce (Never grow old)

Grandad was a preacher Hellfire and Brimstone

Jumpin' and sweatin' Won't leave the Devil alone

Congregation shoutin' "Preacher, Tell him who's the boss"

Grandma on the front pew Screamin' Bitchin Sauce

Bitchin Sauce (Rollin' down like a river)

Bitchin Sauce (Goin' under the wave)

Bitchin Sauce (Glory Hallelujah)

Bitchin Sauce (I believe that I'm saved)

When my time comes, honey And I know that it will

My brothers and my sisters Can bear me down the hill

Take me to the river Carry me across

I will hear the angel voices Singing Bitchin Sauce

Bitchin Sauce (Turnin' and Burnin')

Bitchin Sauce (Rock my soul)

Bitchin Sauce (Rumblin' and Tumblin')

Bitchin Sauce (Never grow old)

Bitchin Sauce (Rollin' down like a river)

Bitchin Sauce (Goin' under the wave)

Bitchin Sauce (Glory Hallelujah)

Bitchin Sauce (I believe that I'm saved)
