

THE ROAD AND THE SKY

INTRO E-8 D-8

F#m-4 D-4 A-8
When we come to the place where the road and the sky collide,

F#m-4 D-4 A-8
Throw me over the edge and let my spirit glide.

E-8
They told me I was gonna have to work for a living,

A-4 D-8
But all I want to do is ride.

A-4 E-4 A-8
I don't care where we're goin' from here, honey you decide.

F#m-4 D-4 A-8
Well I spend my time at the bottom of a wishing well,

F#m-4 D-4 A-8
And I can hear my dreams singing clear as a bell.

D-8
I used to know where they ended and the world began,

A-4 D-4
But now it's gettin' hard to tell.

A-4 E-4 A-8
I could be just around the corner from heaven or a mile from hell.

D-8
I'm just rollin' away from yesterday

A-8
Behind the wheel of a stolen Chevrolet.

D-8
I'm gonna get a little higher,

E-8 D-8
See if I can hotwire reality.

Now can you see those dark clouds gathering up ahead?
F#m-4 **D-4** **A-8**
They're gonna wash this planet clean like the Bible said.
E-8
Now you can hold on steady, try to be ready,
A-4 **D-4**
'Cause everybody's gonna get wet.
A-4 **E-4** **A-8**
Don't think it won't happen just because it hasn't happened yet.

I'm just rollin' away from yesterday

I'm gonna get a little higher,
