I TAKE MY CHANCES   Capo 5th fret

|G-2 D-2| C-4|G-2 D-2| C-4|

```
G-2         D-2           Em-2       C-2
 I took a walk in the rain one day
       G-2           D-2      C-4
On the wrong side of the tracks
   G-2             D-2           Em-2       C-2
I stood on the rails till I saw that train
         G-2           D-2           C-4
Just to see how my heart would react
    Em-2          Bm-2           C-4
Now some people say that you shouldn't tempt fate
        Em-2        D-2      C-4
And for them I cannot disagree
      G-2             D-2           Em-2         C-2
But I never learned nothing from playing it safe
      G-2           G/B-2       C-4
I say fate should not tempt me
```

```
        G-2    D-2   C-4              G-2           D-2    C-4
I take my chances      I don't mind working without a net
        G-2    D-2   C-4           G-2             D-2       C-4
I take my chances       I take my chances every chance I get
```

```
G-2      D-2           Em-2       C-2     G-2     D-2        C-4
 I sat alone in the dark one night, tuning in by remote
G-2           D-2           Em-2            C-2
 I found a preacher who spoke of the light but there
     G-2           D-2      C-4
was brimstone in his throat
      Em-2           Bm-2 C-4
He'd show me the way according to him in
Em-2           D-2        C-4
return for my personal check
G-2             D-2            Em-2     C-2
 I flipped the channel back to CNN,
       G-2           G/B-2 C-4
and I lit another cigarette
```

```
        G-2    D-2 C-4    G-2                    D-2          C-4
I take my chances yes, forgiveness doesn't come with a debt
        G-2    D-2  C-4        G-2            D-2        C-4
I take my chances     I take my chances every chance I get
```

|G-2 D-2| C-4| G-2 D-2| C-4|
     |G-2 D-2| C-4| G-2 D-2| C-4|

```
G-2              D-2        Em-2      C-2
  I've crossed lines of words and wire,
    G-2        D-2      C-4
and both have cut me deep
     G-2           D-2              Em-2    C-2
I've been frozen out and I've been on fire,
       G-2          D-2        C-4
and the tears are mine to weep
  Em-2  Bm-2    C-4                Em-2    D-2    C-4
But I can cry until I laugh, or laugh until I cry
  [G-2]      [G/F#-2] [Em-2]    [C-2]
So cut the deck       right in half,
      G-2         G/B-2  C-4
 I'll play from either side
```

```
        G-2    D-2  C-4      G-2            D-2        C-4
I take my chances;   I pay my dollar and I place my bet
        G-2    D-2  C-4        G-2            D-2        C-4
I take my chances     I take my chances every chance I get
        G-2    D-2  C-4        G-2          D-2        C-4
I take my chances yeah, I don't cling to remorse or regret
        G-2    D-2  C-4        G-2            D-2        C-4
I take my chances     I take my chances every chance I get
        G-2  D-2  C-4    G-2  D-2 C-4
I take my chances
```
