[Verse 1]
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
I see the sun setting down, on those hills far away
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
And they keep calling me,   Each and every day
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
But there's a cold wind blowin', I can feel it on my back
Em7-4   Em7-4   Fmaj7-4.   Fmaj7-4
It keeps reminding me, I'm running out of track

[Chorus]
       G-4   Am-4   F-4   Em7-4
I've been waiting,   too many days, thinking there'd always be another one
                                       (Riff)
       G-4   Am-4   F-4   Em7-4 Em7-4
I've been saving life in too many ways, I think its time that I begin to run
Fmaj7-4   Fmaj7-4

[Verse 2]
Em7-4   Em7-4   Fmaj7-4 Fmaj7-4
Distant memories, of the game I used to play
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
Might have gone somewhere, things didn't go my way
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
But you know when one door closes, another opens up
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
Throw out that empty feeling, and fill a different cup

[Chorus:]
       G-4   Am-4   F-4   Em7-4
I've been waiting, too many days, thinking there would always be another one.
                                      (Riff)
        G-4   Am-4   F-4   Em7-4 Em7-4
I've been saving life in too many ways, I think its time that I begin to run
                    (Riff at Octave…………......)
Fmaj7-4   Fmaj7-4   Em7-4   Em7-4   Fmaj7 -4   Fmaj7-4

[Solo]
   Em7-4   Em7-4   Fmaj7-4 Fmaj7-4

[Verse 3]
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
I'll keep climbing up, although I'm past my prime
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
And just enjoy the journey, the fun is in the climb
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
But if I reach the top, after travelling all those miles
Em7-4   Em7-4   Fmaj7-4   Fmaj7-4
I'll look up at the sky, just thank the lord and smile

[Chorus]
        G-4   Am-4   F-4   Em7-4
I've been waiting, too many days, thinking there would always be another one.
        G-4   Am-4   F-4   Em7-4
I've been saving life in too many ways, I think its time that I begin to run
   F-4   Em7-4
Yes I think its time that I begin to run
   F-4   Em7-4   Em7-4   Fmaj7-4 Fmaj7-4
Lord I know its time that I begin to run   ==(**Riff-play out to end**==…………
