VERSE

Well our hearts beat like thunder  
I don't know why they don't explode  
You got your hands in my back pockets  
And Sam Cooke's singin' on the radio  
You say that I'm the boy  
Who can make it all come true  
Well I'm telling' ya that I don't know  
If I know what to do

CHORUS

You say that's all right, hold tight  
Well I don't even know if I'm doin' this right  
Well alright, hold tight  
We could stay out all day,  
we could run around all night
