intro

Well let's pack up the kids and take a break, get away

Leave the hustle and bustle of living from day to day

And I know that the crime in the city is-a getting worse

So we're going on down to the gun sale at the church

Well my lady's all set to have us a real good time

Baby Johnny's got fins but he don't seem to mind

So the family's all ready to pray at the holy perch

That's set up in the middle of the gun sale at the church

Well we'll ask the lord to forgive us all of our sins

And we'll look at the latest in gold plated firing pins

Well my two main men that are Jesus and old John Birch

So we're going on down to the gun sale at the church
