

John's Guitar Lennon/McCartney/Dedrick

Intro CCD CCD CCD D

V-1                   G                   D  
Hey, John, if you can hear me  
                          Em                   B7  
This should warm your heart  
                          G                   D  
Another John... John McCaw  
Em                    B7  
Found your lost guitar  
  C       D   G   Em  
It's your lost guitar  
      C        D    G  
He found your lost guitar

V-2                   G                   D  
It's the Gibson from the sixties  
                          Em                   B7  
With all your old pick scars  
                          G                    D  
John freaked out when he found out  
Em                    B7  
It's John Lennon's guitar!  
  C    D    G   Em  
It's your lost guitar  
      C        D    G  
He found your lost guitar

Dm7            G                    C    Am  
C   Now when he plays it he feels happy inside  
Dm7            G                    C  
And on your old songs that guitar  
CC    D    CC    D    CC    D    D  
Comes alive.... comes alive... it comes alive!

V-3                    G                    D  
 His jam buddies, every Monday  
 Em                    B7  
 Play like old rock stars  
                          G                    D  
 Since we found out right beside us  
 Em                    B7  
 Is John Lennon's guitar  
 C            D        G    Em  
 It's your lost guitar  
 C            D        G  
 It's your lost guitar

C2    Dm7        G                    C    Am  
 He let's us play it and we're happy inside  
 Dm7        G                    C  
 And on your old songs that guitar  
 CC    D        CC    D        CC    D        D  
 Comes alive... comes alive...it comes alive

V-4                    G                    D  
 When you lost it, we know that  
 Em                    B7  
 Must have broken your heart  
                          G                    D  
 It survived cause a good guy  
 Em                    B7  
 Found your lost guitar  
                          C        D        G    Em  
 It's been a loved guitar  
 C            D        B7  
 Forever your guitar  
 C                    D        CCC CCC    (G)  
 Let's call it "John's" guitar!
