G Cadd9
It's just another day in paradise
Em7 D
As you stumble to your bed
G Cadd9
You'd give anything to silence
Em7 D
Those voices ringing in your head
Em7 Cadd9
You thought you could find happiness
Em7 Cadd9
Just over that green hill
Em7 Bm
You thought you would be satisfied
C <D> G Cadd9 G Cadd9
But you never will Learn to be still

G Cadd9
We are like sheep without a shepherd
Em7 D
We don't know how to be alone
G Cadd9
So we wander 'round this desert
Em7 D
And wind up following the wrong gods home
Em7 C
But the flock cries out for another
Em7 C
And they keep answering that bell
Em7 Bm
And one more starry-eyed messiah
C <D> G Cadd9 G Cadd9
Meets a violent farewell Learn to be still

G Cadd9 G Cadd9
Learn to be still

BRIDGE

D D
Now the flowers in your garden
Cadd9 Cadd9
They don't smell so sweet, so sweet
D D
Maybe you've forgotten
Em |D|D|
The heaven lying at your feet

G Cadd9
There are so many contradictions
Em7 D
In all these messages we send (We keep asking)
G Cadd9
How do I get out of here
Em7 D
Where do I fit in?
Em7 Cadd9
Though the world is torn and shaken
Em7 Cadd9
Even if your heart is breakin'
Em7 Bm
It's waiting for you to awaken
C <D> G Cadd9 G Cadd9
And someday you will Learn to be still
G Cadd9 G Cadd9
Learn to be still
G Cadd9
You just keep on runnin'
G Cadd9 G Cadd9 G Cadd9 <G>
Keep on runnin' *RIT.*
