LOVE AND HATE – 2 PAGES Gm-8 F-8 Cm-8 Gm-8

F-8

Sometimes I get this feeling makes me hesitate

I believe She won't take me somewhere I'm not supposed to be

Gm-8

```
You can't steal the things that god has given me
                                       Gm-4
                                                 F-4
No more pain and no more shame and misery
                 [Cm-4]
                                             [D7-4]
You can't take me down You can't break me down
                  Gm-4
                           F_{-4}
You can't take me down
                [Cm-4]
                                            ID7-41
You can't take me down You can't break me down
                   Gm-8
You can't take me down
     Gm-4
                        F-4
                                             C-8
I can see that place of trouble, and I'm on the verge.
        Gm-4
                     F-4
                                          C-8
For the love of everybody I need something more.
        Gm-4
                             F-4
                                                      C-8
Now there'll be some days of trouble, I'm in the house of war.
       Gm-4
                                         C-8
                     F-4
For the love of everybody I live behind a wall.

Gm-8
                                          F-8
Standing now Calling all the people here to see the show
                           Cm-8
Calling for my demons now C let me go
                                    Gm-8
I need something, give me something wonderful
```
