[Verse 1]

G-8

Well I woke up this mornin' and I looked out doors G7-8

I could tell my milk cow I could tell by the way she lows
C7-8
G7-8

If you see my milk cow, ooh please drive her on home D7-4

I ain't had no milk and butter

C7-4 G7-4 D7-4

since my milk cow's been gone

[Verse 2]

G-8

Well you've got to treat me right honey, day by day G7-8

Get out your little prayer book get down upon your knees and pray

C7-8 G7-8

Cause you're gonna need me, you're gonna need my help some day D7-4

Yeah you're going to be sorry

C7-4 G7-4 D7-4

you treat me this way

[Verse 4]
G7-4
                   C7-4
                                                    G7-8
Well good evening, don't that sun look good going down.
I said, Well good evening don't that sun look good going down.
           D7-4
Don't that ol' army cot look lonely
C7-4
                                G7-4
                                       D7 - 4
when your lover ain't no place around
BRIDGE
STOP
                                   STOP
G7
                                   G7
Now I've tried everything baby to get along with you,
    STOP
                                 STOP
    G7
                                 G7
And now I'm gonna tell you what I'm gonna do,
                             STOP
    G7
                             G7
I'm gonna stop cryin' gonna leave you alone
   STOP
   G7
If you don't think I'm leavin' big mamma,
    G7 - 4
just count the days I'm gone
          C7-8
Cause you ain't gonna see me,
                                      G7 - 8
you ain't gonna see my sweet face no more
            D7-4
Yeah you're gonna be wonderin' honey,
C7-4
                          G7-6
                                [G7]
where in this world I've gone
                                    milk cow blues.
