

## POSITIVELY 4<sup>TH</sup> STREET

**INTRO** |G-2 Gsus4-2 | G-2 Gsus4-2 | G-2 Gsus4-2 | G-2 Gsus4-2 |

G-4        Am-4        C-4        G-4  
You got a lotta nerve to say you are my friend  
      G-2 D-2    C-2    Em7-2    D-8  
When I was down    you just stood there grinning  
G-4        Am-4                    C-4                    G-4  
You got a lotta nerve to say you got a helping hand to lend  
G-2        D-2        C-2    Em7-2    D-8  
You just want to be on the side that's winning

---

G-4        Am-4                    C-4                    G-4  
You say I let you down    you know it's not like that  
      G-2        D-2    C-2        Em7-2    D-8  
If you're so hurt    why then don't you show it  
G-4        Am-4                    C-4                    G-4  
You say you lost your faith    but that's not where it's at  
      G-2    D-2        C-2    Em7-2    D-8  
You had no faith to lose    and you know it

---

G-4        Am-4                    C-4                    G-4  
I know the reason    that you talk behind my back  
      G-2    D-2    C-2        Em7-2        D-8  
I used to be among the crowd you're in with  
G-4                    Am-4                    C-4                    G-4  
Do you take me for such a fool    to think I'd make contact  
      G-2                    D-2        C-2        Em7-2    D-8  
With the one who tries to hide what he don't know to begin with

---

G-4            Am-4            C-4            G-4  
You see me on the street    you always act surprised  
                 G-2       D-2            C-2       Em7-2    D-8  
You say, "How are you?" "Good luck" but you don't mean it  
                 G-4            Am-4            C-4       G-4  
When you know as well as me you'd rather see me paralyzed  
G-2       D-2       C-2       Em7-2    D-8  
Why don't you just come out once and scream it

---

G-4            Am-4            C-4            G-4  
No, I do not feel that good when I see the heartbreaks you embrace  
                 G-2       D-2       C-2       Em7-2    D-8  
If I was a master thief    perhaps I'd rob them  
                 G-4            Am-4            C-4            G-4  
And now I know you're dissatisfied with your position and your place  
G-2       D-2       C-2       Em7-2    D-8  
Don't you understand it's not my problem

---

G-4            Am-4            C-4            G-4  
I wish that for just one time you could stand inside my shoes  
                 G-2       D-2       C-2       Em7-2    D-8  
And just for that one moment    I could be you  
                 G-4            Am-4            C-4            G-4  
Yes, I wish that for just one time you could stand inside my shoes  
G-2       D-2       C-2       Em7-2    D-8  
You'd know what a drag    it is to    see you
