E7 E7
Sittin' thinkin' sinkin' drinkin'
E7 E7
Wondering what I'd do when I'm through tonight
A7 A7
Smoking moping, maybe just hopin'
E7 E7
Some little girl will pass on by
 B7 A7
I don't wanna be alone but I love my girl at home
E7 E7-2 B7-2
I remember what she said

 E7 E7
She said, "My, my, my don't tell lies,
E7 E7
Keep fidelity in your head
A7 A7
My, my, my, don't tell lies.
E7 E7
When you're done you sure hit the bed.
 B7 A7
And don't say hi, like a spider to a fly
E7 E7-2 B7-2
Jump right ahead and you're dead"

E7 E7
Sit up, fed up, low down go round
E7-4 E7
Down to the bar at the place I'm at

A7 A7
Sitting, drinking, superficially thinking
E7 E7
About the rinsed-out blonde on my left
B7 A7
Then I said, "hi" like a spider to a fly
E7 E7-2 B7-2
Remembering what my little girl said

E7 E7

She was common, flirty, she looked about thirty

E7 E7

I would have run away but I was on my own

A7 A7

She told me later she's a machine operator

E7 E7

She said she liked the way I held the microphone

B7 A7

And I said my, like the spider to the fly
