Well we met in my favorite bar took a ride in my old car

But I still don't know how We made it home

We had drugs and we had booze But we still had something to lose  
G D C G  
And by dawn I wanted to marry you  
G D C G  
With our attitudes by day And our secret dreams by night  
G D C G  
Can we really live our lives that way
